

School Council Licence Agreement – Outside School Hours Care Service

Between

The School Council listed in Item 1 of Schedule 1 (**School Council**)

and

The Licensee listed in Item 2 of Schedule 1 (**Licensee**)

Background

This Licence sets out the terms under which the Licensee may use school facilities to provide an Outside School Hours Care (OSHC) service on a regular basis.

For further guidance on an expression of interest process including templates, School Councils should refer to 'A Guide to Outside School Hours Care (OSHC) Provision: Support for school councils to establish and operate an OSHC service' (the Guide) available here:

www.education.vic.gov.au/school/teachers/management/Pages/oshc.aspx

The Guide also provides a wide range of information, including a draft OSHC subcommittee 'terms of reference' and a quarterly meeting template for meetings between the Licensee and School Council detailed in this Licence.

- A. The Licensee wishes to use the Licensed Area for the Permitted Use.
- B. In accordance with the *Education and Training Reform Act 2006* (Vic), the School Council has agreed to grant to the Licensee a licence to use the Licensed Area subject to the terms and conditions set out in this Licence.
- C. This Licence recognises that building a positive working relationship between the Licensee and the School Council reflects both parties' roles and responsibilities towards the school community, including meeting the individual needs of children and their families, and relies on ongoing communication and information sharing between the Licensee and the School. Accordingly, the terms of this Licence facilitate an ongoing reporting relationship between the Licensee and the School Council, including quarterly meetings and specific circumstances where the Licensee must report compliance notices issued by the Victorian Regulatory Authority.
