

# ADPS Annual Risk Management Checklist

School name:	Allansford and District Primary School
Date of review:	January 29 <sup>th</sup> 2021
Who completed this checklist?	Name: Andrea Lyon
	Position:
Review given to:	Name: Wes Allen
	Position: Principal
Comments:	All student management plans are updated Student EpiPens are in date

## General information

1. How many current students have been diagnosed as being at risk of anaphylaxis, and have been prescribed an adrenaline autoinjector?	1
2. How many of these students carry their adrenaline autoinjector on their person?	1
3. Have any students ever had an allergic reaction requiring medical intervention at school?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
a. If Yes, how many times?	
4. Have any students ever had an anaphylactic reaction at school?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
a. If Yes, how many students?	
b. If Yes, how many times	
5. Has a staff member been required to administer an adrenaline autoinjector to a student?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
a. If Yes, how many times?	
6. If your school is a government school, was every incident in which a student suffered an anaphylactic reaction reported via the Incident Reporting and Information System (IRIS)?	<input type="checkbox"/> Yes <input type="checkbox"/> No <b>N/A</b>

## SECTION 1: Training

7. Have all school staff who conduct classes with students who are at risk of anaphylaxis successfully completed an approved anaphylaxis management training course, either: <ul style="list-style-type: none"> <li>• online training (ASCIA anaphylaxis e-training) within the last 2 years, or</li> <li>• accredited face to face training (22578VIC or 10710NAT) within the last 3 years?</li> </ul>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
8. Does your school conduct twice yearly briefings annually?  If no, please explain why not, as this is a requirement for school registration.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

<p>9. Do all school staff participate in a twice-yearly anaphylaxis briefing? If no, please explain why not, as this is a requirement for school registration.</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>10. If you are intending to use the ASCIA Anaphylaxis e-training for Victorian Schools: a. Has your school trained a minimum of 2 school staff (School Anaphylaxis Supervisors) to conduct competency checks of adrenaline autoinjectors (EpiPen® and Anapen®)?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>b. Are your school staff being assessed for their competency in using adrenaline autoinjectors (EpiPen® and Anapen®) within 30 days of completing the ASCIA Anaphylaxis e-training for Victorian Schools?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<b>SECTION 2: Individual Anaphylaxis Management Plans</b>	
<p>11. Does every student who has been diagnosed as being at risk of anaphylaxis and prescribed an adrenaline autoinjector have an Individual Anaphylaxis Management Plan which includes an ASCIA Action Plan for Anaphylaxis completed and signed by a prescribed medical practitioner?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>12. Are all Individual Anaphylaxis Management Plans reviewed regularly with parents (at least annually)?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>13. Do the Individual Anaphylaxis Management Plans set out strategies to minimise the risk of exposure to allergens for the following in-school and out of class settings?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>a. During classroom activities, including elective classes</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>b. In canteens or during lunch or snack times</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>c. Before and after school, in the school yard and during breaks</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>d. For special events, such as sports days, class parties and extra-curricular activities</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>e. For excursions and camps</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>f. Travel before and after school on the bus</p>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>14. Do all students who carry an adrenaline autoinjector on their person have a copy of their ASCIA Action Plan for Anaphylaxis kept at the school (provided by the parent)?</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No <b>N/A</b>
<p>a. Where are the Action Plans kept?</p>	First Aid Room: Personalised Themo bags
<p>15. Does the ASCIA Action Plan for Anaphylaxis include a recent photo of the student?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>16. Are Individual Management Plans (for students at risk of anaphylaxis) reviewed prior to any off site activities (such as sport, camps or special events), and in consultation with the student's parent/s?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<b>SECTION 3: Storage and accessibility of adrenaline autoinjectors</b>	
<p>17. Where is the student(s) adrenaline autoinjectors stored?</p>	First Aid Room: Personalised Themo bags

18. Do all school staff know where the school's adrenaline autoinjectors for general use are stored?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
19. Are the adrenaline autoinjectors stored at room temperature (not refrigerated) and out of direct sunlight?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
20. Is the storage safe?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
21. Is the storage unlocked and accessible to school staff at all times?  Comments: Located on a high hook in the First Aid Room, which is unlocked. Themo bags have a photograph of the student on the front and plans inside.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
22. Are the adrenaline autoinjectors easy to find?  Comments: Located on a high hook in the First Aid Room, which is unlocked. Themo bags have a photograph of the student on the front and plans inside.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
23. Is a copy of student's individual ASCIA Action Plan for Anaphylaxis kept together with the student's adrenaline autoinjector?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
24. Are the adrenaline autoinjectors and Individual Anaphylaxis Management Plans (including the ASCIA Action Plan for Anaphylaxis) clearly labelled with the student's names?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
25. Has someone been designated to check the adrenaline autoinjector expiry dates on a regular basis?  Who? Narelle McLaren	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
26. Are there adrenaline autoinjectors which are currently in the possession of the school which have expired?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
27. Has the school signed up to EpiClub (optional free reminder services)?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
28. Do all school staff know where the adrenaline autoinjectors, the ASCIA Action Plans for Anaphylaxis and the Individual Anaphylaxis Management Plans are stored?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
29. Has the school purchased adrenaline autoinjector(s) for general use, and have they been placed in the school's first aid kit(s)?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
30. Where are these first aid kits located? First Aid Room. Located in the front pocket of the backpack  Do staff know where they are located?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
31. Is the adrenaline autoinjector for general use clearly labelled as the 'General Use' adrenaline autoinjector?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
32. Is there a register for signing adrenaline autoinjectors in and out when taken for excursions, camps etc?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<b>SECTION 4: Risk Minimisation strategies</b>	
33. Have you done a risk assessment to identify potential accidental exposure to allergens for all students who have been diagnosed as being at risk of anaphylaxis?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

<p>34. Have you implemented any of the risk minimisation strategies in the Anaphylaxis Guidelines? If yes, list these in the space provided below. If no, please explain why not as this is a requirement for school registration.</p> <ul style="list-style-type: none"> <li>- Ongoing communication with the child's parents</li> <li>- Information to the community through the newsletter</li> <li>- Information in classroom rolls</li> <li>- Classroom Birthday Treats must be discussed with the classroom teacher.</li> <li>- Canteen menu caters for allergies</li> <li>- Staff carry mobile phones when on yard duty or excursions</li> </ul>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>35. Are there always sufficient school staff members on yard duty who have current Anaphylaxis Management Training?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<b>SECTION 5: School management and emergency response</b>	
<p>36. Does the school have procedures for emergency responses to anaphylactic reactions? Are they clearly documented and communicated to all staff?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>37. Do school staff know when their training needs to be renewed?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>38. Have you developed emergency response procedures for when an allergic reaction occurs?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>a. In the classroom?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>b. In the school yard?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>c. In all school buildings and sites, including gymnasiums and halls?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>d. At school camps and excursions?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>e. On special event days (such as sports days) conducted, organised or attended by the school?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>39. Does your plan include who will call the ambulance?</p>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>40. Is there a designated person who will be sent to collect the student's adrenaline autoinjector and individual ASCIA Action Plan for Anaphylaxis?</p>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>41. Have you checked how long it takes to get an individual's adrenaline autoinjector and corresponding individual ASCIA Action Plan for Anaphylaxis to a student experiencing an anaphylactic reaction from various areas of the school including?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>a. The classrooms?</p>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>b. The school yard?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>c. The sports field?</p>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>d. The school canteen?</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No  <b>N/A</b>
<p>42. On excursions or other out of school events is there a plan for who is responsible for ensuring the adrenaline autoinjector(s) and Individual Anaphylaxis Management Plans (including the ASCIA Action Plan) and the adrenaline autoinjector for general use are correctly stored and available for use?</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

43. Who will make these arrangements during excursions? <i>The Principal and the Classroom Teacher</i>	
44. Who will make these arrangements during camps? <i>The Principal and the Classroom Teacher</i>	
45. Who will make these arrangements during sporting activities? <i>The Principal and the Classroom Teacher</i>	
46. Is there a process for post-incident support in place?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
47. Have all school staff who conduct classes attended by students at risk of anaphylaxis, and any other staff identified by the principal, been briefed by someone familiar with the school and who has completed an approved anaphylaxis management course in the last 2 years on:	
a. The school's Anaphylaxis Management Policy?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
b. The causes, symptoms and treatment of anaphylaxis?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
c. The identities of students at risk of anaphylaxis, and who are prescribed an adrenaline autoinjector, including where their medication is located?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
d. How to use an adrenaline autoinjector, including hands on practice with a trainer adrenaline autoinjector?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
e. The school's general first aid and emergency response procedures for all in-school and out-of-school environments?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
f. Where the adrenaline autoinjector(s) for general use is kept?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
g. Where the adrenaline autoinjectors for individual students are located including if they carry it on their person?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<b>SECTION 6: Communication Plan</b>	
48. Is there a Communication Plan in place to provide information about anaphylaxis and the school's policies?	
a. To school staff?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
b. To students?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
c. To parents?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
d. To volunteers?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
e. To casual relief staff?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
49. Is there a process for distributing this information to the relevant school staff?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
a. What is it? - Briefing from the Principal, at a staff meeting - Parent meeting with the principal and the student's classroom teacher	
50. How will this information kept up to date? - Conducting audits at the beginning and middle of the school year	

51. Are there strategies in place to increase awareness about severe allergies among students for all in-school and out-of-school environments?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
52. What are they? <ul style="list-style-type: none"><li>- Newsletter</li><li>- Classroom discussion to build awareness</li><li>- Staff first aid training</li></ul>
