ALLANSFORD ALIVE SCHOOL NEWSLETTER

END OF TERM

We have had a very busy start to the year, with students experiencing a variety of learning opportunities in and out of the classroom. Students have worked very hard in developing their literacy, numeracy and inquiry learning. They have also accessed specialist programs in Japanese, STEAM, Music and Social & Emotional Learning (SEL).

Student **ATTENDANCE** in term one has been positive, with our school's student absences being slightly less than our local network and state absence data. Keep up the great work!

Students have had the opportunity to **CONNECT** with the school through activities and events such as:

Learn to Learn Program
School Buddies Program
Foundation Buddy Night
Harmony Week activities
Clean Up Australia Day
St Patrick's Day (SALT)
Hero Day (SALT)
Easter Colouring (SALT)

Students have developed their **LEARNING** through the following additional learning opportunities.

Earth Education Workshops
AFL Clinics
Tennis Clinics
Athletic Sports

Families have had the opportunity to access the following **HEALTH** supports:

Dental Van
Lion's Eye Health Program

2024 ENROLMENT

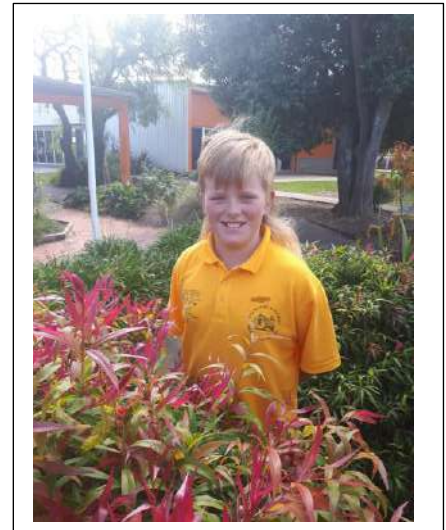

Do you have a child starting Foundation in 2024? Enrolments are now open. Please complete an 'Expression of Interest' via the available link.

<https://forms.gle/LymH6dzbjIP5VpAA>

We are excited at the prospect of having your child attend our school in 2024! ✨

STUDENT LEADERS

Congratulations to Ewan (Year 6) for facilitating last week's assembly. Ewan really enjoyed putting the assembly together and speaking with all the people that played a part on the day. Ewan was extremely well organised and very efficient. Well done, Ewan!

END OF TERM

We will have an early lunch from 1.00 – 1.45 pm. This will be followed by a whole school assembly from 1.45 – 2.30 pm. We will draw the Easter Raffle prizes at this assembly, so make sure all your tickets are in prior to the draw. Thanks for your support!

THE MELO AWARD

The 'Melo Award' is presented to a child or group who models our school values, and as result, often helps those around them. Last week's 'Melo Award' was presented to Caleb (Year 3) for supporting people around him at the sports, cheering them on and making sure everyone had a great day.

THE VALUES AWARD

The 'Values Award' is selected by our student leaders and presented to a child who has demonstrated the behaviours that model our school values. Last week's 'Values Award' was presented to Amelia (Year 1) for being an excellent leader of her group and showing great sportsmanship and encouragement at our athletic sports.

COMMUNITY SALT

Many thanks to all our families who supported the Community SALT with their Starlight Foundation fundraiser. The school raised \$238 for this fantastic foundation that supports sick children in our hospitals. All students were invited to dress up as a hero and all students participated in a mask decorating activity symbolizing the Starlight Foundation.

SCHOOL CAMP IN 2023

We appreciated the 40 parent responses to our 2023 School Camp proposals. Parents were given 4 options:
OPTION 1 - Halls Gap - \$500
 17.5%
OPTION 2 - Brucknell - \$270 (tents)
 12.5%
OPTION 3 - Brucknell - \$300 (bunks)
 70%
OPTION 4 - No camps (0%)
 The overwhelming response from 70% of the responders was **OPTION 3** – Camping at Brucknell staying in bunk style accommodation. We will now look at the steps in booking dates.

SHOWCASE

Congratulations to Mabel and Jordy (Year 3) for sharing their knowledge of the Japanese terminology for our major body parts. Well done girls!

SHOWCASE

Congratulations to Zach, Hayley, Isla, April and Sophie (Year 2) for reading their sentences using the Japanese language to tell us about their pets.

STUDENTS OF THE WEEK

HEALTHY MOVES SALT

The Healthy Moves SALT completed a 'Hands Up Survey' to encourage as many students as possible to have 'nude food'. This is food in their lunch boxes that does not have plastic wrappers. The following is the percentages of students in each class that had some nude food in their lunch boxes.

Foundation – 83%

Year One – 61%

Year One / Two – 85%

Year Two – 80%

Year 3-4A – 63%

Year 3-4B – 74%

Year 5-6A – 92%

Year 5-6 B – 92%

This is not a competition, however, if we can increase the overall average percentage from 79% across the school by 5 percent then we are having an impact on our environment.
