ALLANSFORD ALIVE SCHOOL NEWSLETTER

SCIENCE WEEK

This week, students across the school participated in science activities celebrating Science Week. Students looked at concepts such as "innovation" (basically finding better ways to do things) and participated in activities where they were required to question, predict, investigate, note results and make conclusions.

BOOK WEEK

Students across the school will celebrate their love of reading in Book Week. Student leaders will read some of this year's shortlisted books to their buddies and are invited to dress up as a favourite character on Wednesday 23rd August. We have a costume rack that parents might like to look at located outside the office area.

ARTIST IN RESIDENCE

In week 8, we have Terry Cole (Circus in a Suitcase) working with students across the school, commencing on Monday 4th September. Terry will teach every class a circus skill that will become a part of our school concert on the night of Thursday 7th September. The performance will be at Warrnambool Secondary College and will look to start at 7.00 pm and will be about 75 minutes in duration. Supper will follow.

STUDENT LEADER

Congratulations Jayda on facilitating last week's assembly. Jayda spoke with great clarity and exuded a sense of calmness that stems from being well organized. Great job Jayda!

PARENT OPINION SURVEY

Every year the department seeks feedback from parents and caregivers on how the school is going in relation to a number of criteria. I invite parents to give us some feedback. The feedback is very much appreciated, and the results let us know what we are doing well and areas we can improve.

OUR MELO AWARD

Our **"Melo Award"** is presented to a student who models our school values, and as a result, often helps others around them. Well done, Ollie!

OUR VALUES AWARD

Our **"Values Award"** is presented to a student who has been modelling our school values and is selected by a student leader. Well done, Evie on setting a great example!
