ALLANSFORD ALIVE SCHOOL NEWSLETTER

PRINCIPAL CHATTER

Many thanks for the support of all families throughout Term 2. It is hard to believe that next week is the last week of term. Students have had access to a range of learning opportunities throughout the term in addition to their daily classroom practices. These have included incursions, excursions, performances, eisteddfods and an array of sporting events.

WHAT HAPPENS NEXT WEEK?

Parents can expect that student reports will be sent home with their children next Tuesday. Reports will highlight the curriculum that has been taught, what your child has achieved and highlights of your child's learning. Each student will have a dot point rating measured against the Victorian Curriculum standards that also shows the learning growth in the past 6 months.

Students are expected to attend the interview with their parent and teacher. Interview times commence from 1.00 pm next Thursday.

It is a normal school day finish next Thursday at 3.30 pm despite an adjustment to our lunch times. Students will have lunch from 1.00 - 2.00 pm before being involved in 3 rotational activities in the afternoon. There are no students at school on Friday. Due to Mrs. Bellman attending a 'Master's in Teaching' course, her interviews will take place at the start of Term 3.

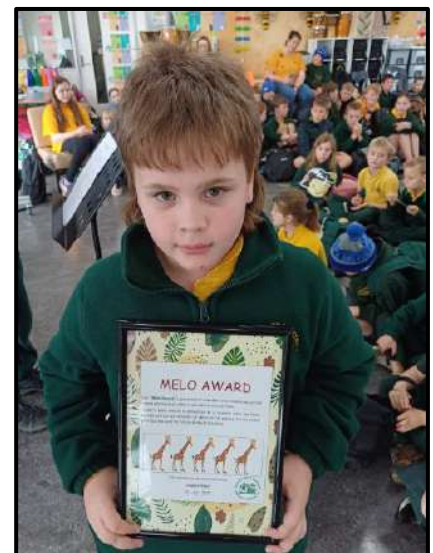

STUDENT LEADER

Congratulations to Tyler (Year 6) for facilitating week 7 assembly for Term Two. Tyler arranged an array of showcases with our Year 1 showcase requiring Tyler to question every student in the class. Tyler was also very passionate and specific about selecting last week's award winners. Well done, Tyler!

THE MELO AWARD

The 'Melo Award' is presented to a child or group who models our school values, and as result, often helps those around them. Last week's Melo Award was given to Jordan (Year 2) for his positivity towards his learning and improved involvement with recess and lunchtime activities.

THE VALUES AWARD

The 'Values Award' is selected by our student leaders and presented to a child who has demonstrated the behaviours that model our school values. Our 'Values Award' was presented to Tom (Foundation) for his enthusiasm towards his learning, his passion for playing games in the yard and his inclusion of others. Well done, Tom!

SHOWCASE

Congratulations to Year One students for sharing their work around the 5 Keys to Success. Every student had something to say in relation to one of the keys. Well done to all our Year One students.

LONG SERVICE LEAVE

Please note, at the commencement of Term 3 we have some staff taking small allocations of Long Service Leave. This means there will be some staffing changes in Mrs. McLaren and Mrs. Arnott's class that will be communicated. I also will be taking some leave and Mrs. Bellman will be Acting Principal in my 4 weeks of leave. We are indeed fortunate to have quality replacements with existing staff making some adjustments to their roles.

SHOWCASE

Congratulations to our Viv, Bill, Remi & Evahni (Foundation) for showing and telling us about their artwork in relation to World Oceans Day.

SHOWCASE

Congratulations to Acacia & Jayda who read out their 'Poem for Two.' Both girls performed this poem at the recent Eisteddfod competition held in Warrnambool. Well done girls!

STUDENTS OF THE WEEK

MND

Congratulations to Bella, Jack and Bentley (Foundation) for being awarded a pair of MND socks for the effort they are putting into their learning. Many thanks to one of our parents for donating the socks and for raising awareness for this cause.

THANK-YOU MISS WOOLLES

Congratulations to Isla & Bailey for thanking Miss Wooles for her working in the Year b2 class over the last 3 weeks and for arranging a wonderful card signed by all the students.

ARTIST in RESIDENCE

We have secured our Artist in Residence for 2023 and we are pleased to announce that Terry Cole will bring his show, 'Circus in a Suitcase.' Terry last visited school in 2019 and his shows create a lot of interest for all our students.

Basically, Terry arrives at Allansford on a Monday and teaches each of the classes a unique circus skill that they practice all week, culminating in a whole school night concert at Warrnambool Secondary College commencing at around 7.00 pm. The concert usually lasts about an hour and 15 minutes.

children are inducted into the once secretive and elite world of circus. Not only will the children safely gain new skills in balance and manipulation, but they will also be empowered by them and know how to improve these skills and acquire others.

Most importantly of all though, the workshop sessions are enormous fun for students and teachers alike!

- Learn to **juggle balls, scarves and rings**
- **Fly** the Chinese spinning top, the **Diabolo**
- **Spin a plate** on a stick, balance it
- **Balance a feather or broomstick**
- **Balance on a rolla bolla**
- **Control** the Chinese **devil sticks**
- **Walk tall on circus stilts**
- Learn **acrobatic balances** and **pyramids**
