PRINCIPAL REPORT

Student Leaders

Congratulations to Grace and Locki for facilitating a wonderful whole school assembly last Friday. Both leaders collaborated with each other in the planning phase, supported each other during the implementation and were gracious in their reflections.

Melo Award

The "Melo Award" is presented to a student who is observed by a member of staff making a good choice that helps someone or impacts our school environment. Last week's award was presented to Mackenzie! Well done!

We had 2 competitors qualify for the Divisional Cross-Country.

Well done to Ryan and Gemma.

Well done to our 2021 District Cross Country Team competed this week at Deakin University. Well done team!

Values Award

The "Values Award" is presented to a student who is observed by their peers demonstrating our school values. Last week's 'Values Award' was presented to Ryan. Well done!

Busy Bee Brunch

We were thrilled to have students from our local kindergarten and surrounding centres joins us for our "Busy Bee Brunch" this week. This was part of our school transition program where prospective Foundation students took part in some singing, story-telling and had a Busy Bee feast. Thanks to our staff for the planning, to our Parents' Club for the catering and to our students for helping on the day.

Junior School Golf Competition

Year 4 student, Ewan, competed in the District Golf Championships at Warrnambool Golf Club. Ewan came 13th overall with a credible score of 63 for the 9 holes. Ewan enjoyed meeting other fellow golfers and playing the Warrnambool course. Well done!

Junior Cross-Country

On Friday, we have our Foundation – Year Two Cross-Country. Thanks again to staff for their planning and our student leaders for their support. Many thanks to the parents who helped support the event.

STUDENT OF THE WEEK

Unwell Students

As the cold weather sets in, it is imperative that students who are unwell are not sent to school.

If a child has any of the symptoms of coronavirus (COVID-19) they should get tested and they must remain at home until they receive their results and are symptom free.

Further to this, a child with gastro must stay at home for at least 48 hours after their last episode of vomiting.

Simple Flex / Fitness Group

We have a group of Year 4 students that have organised a range of games and fitness activities for students in the F-2 area. The students conduct these activities on a Wednesday and Friday at lunchtime. They have done an amazing job with their planning, implementation and reflecting on what has worked and what needs changing. Unfortunately, Bree, Thalia and Acacia are not in this picture. Keep up the great work girls!

Sexuality Education

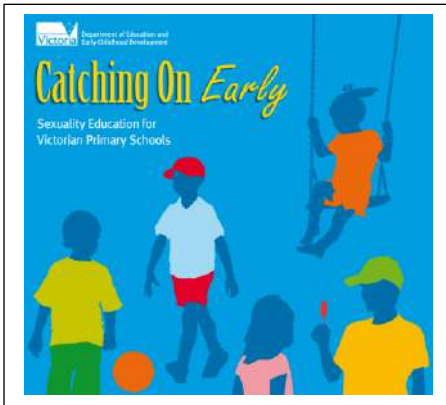

Next week, students in Years 4-6 will commence a series of 3 sessions that will focus on Sexuality Education.

The information discussed in these sessions is guided by a department resource called, "Catching on Early."

Mrs. Sheppard will be conducting these sessions, as she has done over the past few years.

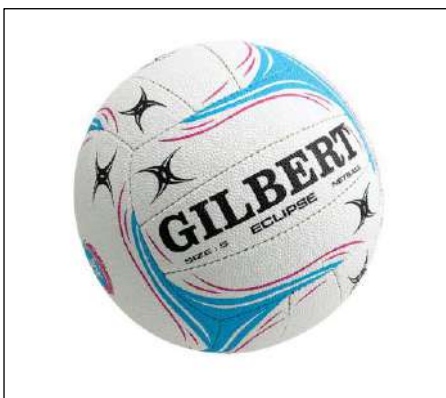

Any parents wishing to learn more about the content or ask any questions is invited to attend a Parent Information session from 3.45 – 4.15 next Monday 31st May.

This will be held in the Multi Facility.

Winter Sports

Next Friday our Year 5-6 students will participate in the Winter Sports carnival held at the Allansford Recreation Reserve. We will compete against many other schools in a variety of sports.

Calf Donations

I wish to thank the families who have donated calves to the school to be reared by the Community Farm.

Fundraising is extremely difficult in these current times and the money donated to the school is very much appreciated.

The Community Farm is paying \$500 per donated calf.

School Tour

Thursday 27th May
10.00am - 10.30am

Prospective 2022 Families are invited to have a tour of our school led by our student leaders. View our facilities and get a feel for our school through the eyes of our students.

We look forward to meeting you!
