### Whole School Assembly

Congratulations to Ryan for an excellent assembly presentation last Friday. Ryan was keen to start his assembly preparation from early in the week and did a great job at getting all his showcases organised early so he had time to practice. Well done, Ryan.

### Professional Planning Day

Please note that next Monday 29<sup>th</sup> August is a pupil free day. It is a day that all teachers have a professional practice day. Normally, these days are spread over the term but due to shortages of replacement staff, the department has authorised these to occur on the one day. TheirCare are offering a program for those families interested in accessing this resource on Monday. It is a department and School Council approved day. Part of the new agreement is that staff will have three planning days in the 2022 school year.

- Match the teacher with their favorite book
- What does your book make you dream about?

Dress up day was on Wednesday and students participated in a parade before doing a book activity featuring one of the award-winning books.
