Whole School Assembly

Congratulations to Olivia for an excellent assembly presentation last Friday. Olivia organized a variety of showcases. Olivia prepared with great enthusiasm and spoke with precision. Well done Olivia on a great assembly!

Drama Workshops

Mr. Beaton commenced drama workshops with students in Years 3-6 last week. Drama encourages students to be open minded and enjoy something different that they may not have experienced before. There are no wrong answers in drama, everyone is unique and drama is here to celebrate this. We look forward to next week's session.

Values Award

Congratulations Luke for being presented with last week's Values Award. Luke (Year One) was acknowledged for demonstrating our school values, with a special mention for his respect shown towards his teacher and peers. Well done, Luke!

Melo Award

Congratulations Jordy (Year 2) on being presented with last week's Melo Award. Jordy was selected for her caring attitude towards her classmates and kindness to everyone she plays and works with. Well done, Jordy!

Thank-You Letters

Congratulations to Lilly, Chiara and Ayden for reading their thank-you letters. The Year 2 students read their appreciations of the support that their mums had given them over the course of the week.

Showcase – Steel Tongue Drum

Congratulations to Tyler for playing the song, "You are my sunshine" on the Steel Tongue Drum. Tyler was back by popular demand, showing his musical talent and inspiring others. Well done, Tyler!

Book Week

Students across the school will celebrate Book Week next week. We invite all students to come dressed up as their favourite book character on Wednesday 24th August. Our student leaders will conduct an activity in each of the classrooms that will feature one of the award-winning books.

Emu Facts

Congratulations to Ollie and Matilda for reading their facts about emus. Both students shared 4-5 facts about one of Australia's most famous birds.

Open Night

We were very happy with the attendance on our Open Night last Wednesday. We had many students from across the school bring along their parents and grandparents to show them our classrooms and their work displays. We had current and past students in attendance and many of them enjoyed the old photographs on display and watching a slideshow on the big TV. Many thanks to our Parents' Club for cooking the BBQ and supplying refreshments. Thanks to all who made our Open Night a great success!

Students of the Week

Birthdays

Congratulations to Evie for turning another year older. Evie was the only birthday celebration last week.

Science Week

Students across the school celebrated Science Week. Students went on a virtual tour of a local glass blowers workshop participating in a variety of science activities. The theme this year is: Glass - more than meets the eye.
