ALLANSFORD ALIVE SCHOOL NEWSLETTER

SCHOOL CHATTER

What a busy and exciting term ahead. We are enjoying the enthusiasm and passion students are displaying inside and outside. The Learning Vibe is certainly buzzing in all classrooms.

It has been wonderful sharing our students' adventures including our Swimming Program, Walk to School, Personal Successes, Hoop time, Cricket and so much more.

We look forward to all the opportunities and experiences in the upcoming weeks. We are looking forward to our gardening program, Performance, Senior Swimming and Surf Program, Transition and End of Year Celebrations...Just to name a few.

We are aware that there are a lot of notes that are constantly coming home for all excursions and end of year events. Thankyou for your support in promptly returning these as this makes our jobs so much easier.

Over the next few weeks as we get busy in our school and home life it is a wonderful time to reflect on our School Values and how they help us be a Better Person and Community Member. Take a minute and have a chat with you child about how they have used the values to be a 'GREAT' student, sibling or son or daughter and maybe reflect on ways that they could grow in these value areas.

The "Values Award" is selected by our student leaders and is given to a student who is observed modelling our school values. MELO AWARD

The "Melo Award" is selected by a student leader and staff is given to a student who models positive behaviours that help others. Today's "Melo Award" is presented to a student who has demonstrated leadership skills, grown in confidence, and has shown support and empathy to others. Congratulations Esther!

Students of the Week

HEALTHY MOVES SALT

On Friday we had 157 students walk to school. Thank you to all students for making the effort to walk to school. Thanks to the Parents' Club for providing fruit platters. Over the last 3 weeks, the Healthy Moves SALT have been tracking students actively travelling to school. The class with the highest percentage was FOUNDATION. In second position was Year 3-4B

On Friday, three classes had every student in attendance actively travel to school, those were Year 2, Year 3-4A & Year 5-6A.

The Healthy Moves SALT selected three students who had been observed doing something special on the day. Congratulations to Stella, Isla, and Logan.

Congratulations to the Healthy Moves SALT: Ewan, Kieran, Tully, and Amber.

GRADE 3/ 4 CRICKET

We had a wonderful day on Tuesday playing T20 Cricket against Woodford Primary School.

We enjoyed working on our three goals:

1. Develop our physical skills involved in playing cricket
2. Meeting and interacting with new people
3. Taking Responsible risks trying something new and extending ourselves physically and socially.

All students were able to express how they went meeting these goals today and how they will work to further develop these when we go to Woodford for a return visit on Friday.

FINAL SWIMMING SESSION

Tuesday was our last session for the Foundation and Grade 1 and 2's swimming at Aquazone where we saw immense growth in the students' water safety skills and confidence.
