ALLANSFORD ALIVE SCHOOL NEWSLETTER

PRINCIPAL CHATTER

I sincerely wish to thank all members of the school community for their support and their positive approach to student learning over the course of term 3. We have been challenged by the ever-changing landscape of education; however, we have responded every time with a plan that best enables our students to continue learning in the context of our school community. In a positive endorsement, the Department of Education have elected to feature our school's approach to remote and flexible learning as one example of how learning from home is being implemented across Victoria. Our model is based on a blended approach, where all students have access to a variety of learning supports, not reliant solely on internet connectivity.

PRINCIPAL CHATTER

This Friday 17th September, we have 'Footy Colours Day'. Come dressed in your team colours or simply in your favourite colour. For our Year 3-6 students at home, join in the fun and access your class WebEx session.

This Friday 17th September is also the final day of Term 3. The day will finish at 2.30 pm.

Monday 4th October is our first day of Term 4. If everything goes according to plan, all students will return to school. Please stay tuned into skoolbag and Dojo for further up-dates, particularly in the second week of the holidays.

REMOTE LEARNING AWARD RYAN CREED

I wish to congratulate Ryan Creed for receiving last week's Remote Learning Award. Ryan was nominated for an exceptional piece of work that involved writing a 'Gratitude Letter' to his grandmother. In the letter, Ryan thanked his GAM for helping him with his reading and spelling during remote learning. The letter really highlighted the important role our grandparents and carers have played throughout the pandemic. Hats off to Ryan and also our wonderful grandparents for their wonderful contributions to our students during remote learning.

OUTSIDE SCHOOL HOURS CARE

The closing date for expressions of interest to run our OSHC program at school close this Thursday 16th September. Expressions of interest will be shortlisted, and School Council will make a decision on Tuesday 19th October. Stay tuned!

REMOTE LEARNING AWARD KADE GUYETT

I wish to congratulate Kade Guyett for receiving last week's Remote Learning Award. Kade was nominated for a series of creative writing pieces over the week. Kade has worked hard on developing his VCOP strategies and has been able to write greater length pieces of writing using much improved vocabulary. He wrote a great procedural piece of writing on how to make an ice-cream pie. Well done, Kade!

2022 FOUNDATION TRANSITION

The following school transition dates have been set for our 2022 Foundation students pending health restrictions and department guidelines.
