code: 4d92q

Friday 24th June

Interviews (8.00 -1.30)

Pupil Free Day

TERM THREE – WEEK ONE

Monday 11th July

First day back!

Whole School Assembly

Congratulations to Ryker for organising last week's assembly. Ryker enjoyed speaking in front of the whole school and organising the various show cases. Ryker indicated he felt very happy with his assembly presentation. Well done!

School Review

Many thanks to the students, parents and staff for their involvement in our School Review process. The school review panel talks to all parties involved with our school and observes students and staff learning in the classrooms. These discussions and observations support the review panel to validate the school's own pre - review self evaluation and help in determining the schools' next steps in our improvement journey. The final day of our school review is Friday 17th June.

Values Award

Congratulations Matilda for being presented with last week's Values Award. Matilda collected sports equipment which had been left out. That showed she greatly respects our school. Well done, Matilda!

Melo Award

Congratulations Trey on being presented with last week's Melo Award. Trey was recognised for his excellent support of others at the Winter Sports. Well done, Trey!

Winter Sports

Congratulations to our Year 5-6 students who participated in the Winter Sports carnival at Dennington last Friday. We had teams represented in netball and Tee Ball. Sportsmanship was at the forefront of our participation. Our Mixed Netball Team made it through to the next level of competition this Friday.

Long Weekend

A reminder to all parents that next Monday 13th June is the Queen's Birthday long weekend. No school!

Dental Van Visit

We have been informed next week that the Dental Van will be at school for two days at some time during the week. They will be finalising appointments that were not completed during the initial visit.

Parents Club

Next Tuesday 14th June, Parents Club will meet at 7.30 pm in the Staff Room. We would love to have some new faces attend and be a part of this dynamic group.

Parent - Teacher Interviews

Interviews are scheduled for Thursday 23rd June from 2.00 - 6.00 pm and Friday 24th June from 8.00 -1.30 pm. Year 2 Interviews with Mrs. Hill **will not** occur on Thursday 23rd and Friday 24th June due to teacher leave. These interviews will be rescheduled for Week 1 and Week 2 of next term. Interviews are strictly 15 minutes only and will be held in the classrooms subject to health advice. The back-up plan is a WebEx conference or phone call. The smooth running of our parent-teacher interviews relies on teachers and parents keeping to the timetable. Please consider other parents and end on time. If you need more time with a particular teacher, please arrange a separate meeting or phone call. Students are encouraged to attend the appointment with you. Remember, Friday is a pupil free day to allow the completion of the interview process. Their care is available for any parents requiring care throughout the day. If you have any further enquiries, please contact the school on 55651382

Friendships

Teachers and parents play an important role in educating students about how to confidently manage issues within their friendships to ensure that their relationships grow in healthy ways. Throughout remote learning, many students missed valuable opportunities for peer interaction and the explicit teaching of social and emotional skills. There is no magic wand that can fix this, other than hard work and a concentrated effort from both school and home. Many students judge their happiness on their friendships and particularly on the behaviour of others. Parents can help by discussing issues that arise with their children, talk about coping strategies and re-visit these regularly. It is important to learn to judge your happiness on things you have some control over.

STUDENTS OF THE WEEK

HELPERS WANTED

Expressions of interest for anyone (e.g., parents, grandparents, friends) keen to help the Environment Student Action Learning Team (SALT) construct a chicken yard. (Approx. 3m x 6m). Any help would be greatly appreciated.

For further information please contact the school on: 55651382 and ask to speak with a member of the Environment SALT

Thankyou

Izzy, Juliette & Eli
